The Advent of Our King #58

1. The advent of our King / Our thoughts must now employ;
Then let us meet him on the road / With songs of holy joy.
2. The coeternal Son / A maiden's offspring see;
A servant's form Christ putteth on, / To set his people free.
3. Daughter of Sion rise / To greet thine infant King;
Nor let thy stubborn heart despise / The pardon he doth bring.
4. In glory from his throne / Again will Christ descend,
And summon all who are his own / To joys that never end.

The friendship of the LORD is with those who fear him, and his covenant, for their instruction.
